

Master Lobby Day Calendar

There is no workforce in the state of Washington that has more at stake in decisions made by the Legislature. The Legislature has control over our wages, benefits, and pensions. They adopt a state budget that determines the funding level for the services we provide.

We are the experts. We can tell the story about how we serve the public every day, about the resources we need to be able to provide these critical services, and about the importance of being able to recruit and retain high-quality workforce.

That's what WFSE Lobby Days are all about!
