

I-645 IS PURPOSELY MISLEADING

VOTE NO

GET THE FACTS

A YES vote would cut healthcare and education to give the wealthy a tax break.

Voting yes would eliminate \$3 billion from the state budget that currently pays for childcare, health care, and K12/higher education.² Loss of those funds puts more WFSE jobs at risk.

Voting NO gives YOU more tax relief:

- 1 million more people will be eligible to receive up to \$1,300 in sales tax refunds¹ (p.6, sec 202)
- Eliminates all sales taxes for diapers, medication, and personal care items like deodorant.¹ (p.5, sec 905)
- Local small businesses will pay less B&O taxes.¹ (p.67, sec. 910, ¶ 5)

Only taxes incomes over \$1 million.

The rest of us - 99.5% - will not pay this tax.¹ (p.3, sec 1, ¶ 9) Assets like property or homes are not included. For your pension to be affected, you'd have to receive \$84,000 **a month** in payouts.

WHY DO YOUR FELLOW UNION MEMBERS ENDORSE A NO VOTE ON I-645?

Washington is facing a historic budget deficit. The state budget impacts our wages, jobs, benefits, and working conditions. We'll never be paid what we're worth if the wealthy don't pay their fair share.
