Statements

In this section, please answer the following questions:

1. Why are you interested in running for elected office?
2. Why do you think you would be a good candidate for elected office?

I understand that this registration does not automatically guarantee my acceptance into the Path to Power Candidate Training. This registration does not take the place of an endorsement questionnaire nor will my acceptance or non-acceptance indicate that my campaign for elected office will or will not receive an endorsement from any body of the AFL-CIO.
